Retrofit Bidet Clinical Trial response form for Patients/Bidet Users

Informed Consent Form

(Only ever to be completed once before the start of the multiple Survey for Patients and Bidet users)

Retrofit Bidet Clinical Trial

H24003 – Improving the Well-being of Clients with Healthcare Needs Using the Retrofit Bidet
Researchers: Associate Professor Niusha Shafiabady and Associate Professor Rosemarie Hogan.

Full copy of the Participant Information Sheet (This is yours to keep for reference) and Informed Consent Form can be downloaded from <https://intelicorp.com.au/intelicorp-tbs-retrofit-bidet-clinical-trial>

- I have read {or had read to me} the Plain English Information Sheet which explains what this research project is about, and I understand it.
- I have had a chance to ask questions about the project, and I am comfortable with the answers that I have been given. I know that I can ask more questions whenever I like.
- I have volunteered to participate in the research. I know that I do not have to participate in it if I don't want to. I know this it will be taken over a duration of 8 weeks
- I know that I am free to withdraw at any time. If I do withdraw there will be no bad consequences for me.
- I know that the researchers will keep my information confidential so far as the law allows.
- I know that I won't get paid for participating in the research project.
- This trial may offer participants access to the newest bidet technology. InteliCorp seek the chance to play an active role in patient's own health care.
- There will be no direct reimbursement benefit to you from your participation in this research.
- Collected data might be used again for future research, unless requested to be removed by you after this study.
- There may be an incidence whereby on your withdrawal the data cannot be identified and/or withdrawn, all attempts to remove your de-identified data will be made

I have read this Informed Consent Form and I agree with it {OR appropriate format for oral consent}.

Signed by the research participant: _____

Name of the research participant: _____

Date: _____

I agree to having an audio tape made of the interview:

Yes No (if no, I will be able to still participate)

Signed [or orally confirmed] by the research participant: _____
